Text : Psalm 100: 1 - 5

Title : Come And Worship The Lord

Psalm 100

A repeated structure: worship the LORD because... (vv. 1-3; 4-5)

A call to worship (vv. 1-3):

- The call is addressed by Israel to ‘all the earth’
- A call to serve the LORD with joy...
- ... and to gather and sing
- A call to acknowledge God, our Maker and Shepherd

The call repeated (vv. 4-5):

- All to enter God’s presence
- Confession, praise, worship...
- ... in response to the LORD’s goodness, commitment and faithfulness

Conclusion

Psalm 100: a pattern for Christian worship

Gathering together to worship: a focus for our own lives, an invitation to others
We acknowledge God, and we invite the non-Christian world to join us
